

1. The diagrams illustrate the developments planned for the centre of a small town called Islip.

Overall, the town area currently has some housing, which will be expanded, and some transport facilities will be added. Islip It will also be surrounded by a dual carriageway.

- Commented [ET1]: The area shown in the map is the centre only, not the whole town.
- Commented [ET2]: As explained in the video, we do not say the area HAS something. We use "there is/are" instead.
- Commented [ET3]: This is incomplete and does not cover some of the main features, e.g. shopping and recreational facilities. It also doesn't summarise what parts will not change.

2. The maps illustrate how the centre of a small town is planned to be developed. Overall,

there will be extensive developments concerning the commercial area, transport, recreational and educational facilities, and new housing areas and roads.

- Commented [ET4]: The park will shrink significantly and the countryside will disappear.
- Commented [ET5]: The school will grow, albeit slightly.
- Commented [ET6]: This is included in transport facilities.
- Commented [ET7]: Your overview doesn't summarise the parts that will not change.

3. The diagrams illustrate the developments planned for the center of a small town known as

Islip. Overall, it is planned to go under undergo extensive changes. There are plans to expand transport and educational facilities, while the recreational facilities are going to be shrunk. Some shops in the center and housing in the south will remain unchanged.

- Commented [ET8]: This is receptive.
- Commented [ET9]: Incomplete: what about changes to housing areas and commercial facilities?

4. The diagrams illustrate the developments that are going to take place in the centre of a

small town called Islip. ✓

Overall, there are extensive developments planned for this centre-area concerning the

development of new transport facilities, the construction of a dual carriageway around the

centre, the expansion of residential areas and the school, in addition to and the shrinking of

the park area, while some features, such as the existing shops in the centre, are planned to

remain unchanged.

Commented [ET10]: 1.This is too detailed. You don't need to say what exactly is going to happen. Simply saying that there will be developments in this and that type of facility is enough.
2.This is incomplete because it does not cover some of the most important changes in the shopping/commercial facilities.

Commented [ET11]: Again, too detailed
