Ebrahim Tahassoni

CELTA, CertTESOL, IELTS Ac. 9

The media should report more stories which report good news.

IELTS Writing Actual Tests in 2018 & 2025

Some people say that more money should be invested in science than in other subjects.

IELTS, March 2026

Some people think that the main benefit of international cooperation is in the protection of the environment, while others believe that it mainly benefits businesses.

IELTS – January 2025

Some believe that tackling environmental issues should be managed by a global organization instead of being handled individually by national governments.

IELTS – March 2026

Some people believe that in the future, most cities will become unlivable due to pollution and overcrowding. Others think technological innovation will solve these problems.

IELTS – October 2025

Paraphrasing Homework

Many aspects of the way people dress today are influenced by global fashion trends.

IELTS, July 2025

Some people think that shops should not be allowed to sell food or drinks that are scientifically proven to be bad for people's health.

IELTS, June 2025

When a building is designed, the most important factor is the intended use of the building rather than its outward appearance.

IELTS Writing Actual Tests in 2018

Paraphrasing Homework

Remote work has become increasingly common in recent years.

IELTS, October 2025

Many people do not feel safe either when they are at home or when they go out.

IELTS, March 2026

Some people think that charity organizations should only offer help to people of their own country. But others believe that these organizations should give aid to people in great need wherever they live.

IELTS, August 2025
