Using adjective (relative) clauses:

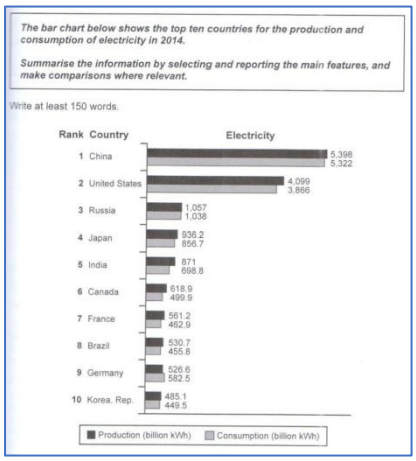

Practice: Book 13, test 3:

The bar chart shows the top ten countries for the production and consumption of electricity in 2014.

This bar chart illustrates the amount of electricity produced and consumed by the top ten countries in 2014.

Overview

Practice: Book 13, test 3: Analysis

Analysis notes:

- China & US >> others
- China 1st in both
- [Korea last]

- Production > consumption except in Germany

This bar chart illustrates the amount of electricity produced and consumed by the top ten countries in 2014.

Overall, there was a significant difference between China and the USA on the one hand, and the other countries on the other~~.~~, as China ranked first both in production and consumption. Production rate was higher than that of consumption in all countries except for Germany.
